PRIME HEALTH
TURKEY

A male patient with a beard and brown hair is reclined in a dental chair, smiling broadly. He is wearing a light blue button-down shirt. A dentist, partially visible on the left, is wearing a white lab coat and blue nitrile gloves, and is working on the patient's teeth. The background is a bright, clean dental office with large windows and a potted plant.

A 3x6 grid of 18 green dots. There are 6 dots in each of the 3 rows.

GENERAL STANDARD CHECK UP

EXAMINATIONS

Examination, Internal Medicine Examination, Dental

RADIOLOGY
